Rep. Adam Kinzinger, R-Ill., thinks "upwards of" 100 GOP lawmakers will vote to not accept Joe Biden's victory when Congress convenes on Jan. 6 to count the Electoral College votes.

“ BTW KINZI, YOU ARE A PIECE OF SHIT TO FOR ACCUSING TRUMP OF FABRICATING A CONSPIRACY THEORY -- LEARN ENGLISH BUDDY...

IT WAS AN ACTUAL CONSPIRACY WITH AMPLE PROOF -- NOT SOME THEORY TO BE DISPUTED.

“ GAME OVER JANUARY 6TH OF THE SENATE GROWS A PAIR OF BALLS, BECAUSE IF 50 SENATORS DISPUTE THE ELECTION, REGARDLESS OF THE FACT THE LOWER HOUSE WILL BE SHORT OF 50% -- PENCE IS GONNA THROW IT ALL OUT, THEN SCOTUS WILL HAVE TO GET INVOLVED AND IF THEY SAY FUCK YOU TRUMP ONE MORE TIME...

WE THE PEOPLE WILL SPEAK AND BE IN WASHINGTON DC FULLY ARMED AS THE ARMY OF AMERICA TO BACK PRESIDENT TRUMP -- EVEN LARGER THAN THE US MILITARY.

FUCK YOU MITCH, WE ARE COMING AND YOU GET WITH THE PROGRAM OR YOU WILL BOW OUT FROM SHEAR PRESSURE!!

17 Yeah, what's the plan here because there's no way in hell we'll get 50. We'll be lucky to get 5.

10 **WE ONLY NEED ONE SENATOR AND ONE REP TO CHALLENGE THE VOTES.** More would be nice.

▼ But at this point it's not about what *we* need from *them*. It's about us seeing who has the balls and integrity to acknowledge the truth.

Because Trump's team is going to drop a nuke on them once the votes are challenged. Way more dirt than has been shown so far, on way more shit than just election fraud. Proof of payouts by CCP, Ukraine etc to half the damn Congress, as well as the crooked governors. Proof of kickbacks from China to Guvs who bought PPE that somehow never delivered. Proof of big tech involvement in election interference. (And don't forget, the EO means he can seize all assets of anyone involved in facilitating foreign interference in an election!) Also, most likely, proof of sex trafficking and ritual abuse of children. It's going to shock the nation, and the world.

Then...tribunals.

2 I wonder if big tech pumping their wealth into bitcoin recently is a way to try shield themselves from EO13848?

1 Would that also account for the coin spiking?

1 Good point. The power of seizure is limited to assets in the US. How does one determine jurisdiction of Bitcoin?

1 I think the plan is to wait until the election results are in and then see what happens.

0 We only need ONE, House and Senate immediately convene to vote with House voting for Pres according to their State Legislatures and Senate Voting for VP according to theirs.

11 ▼ Excuse my ignorance but there is no way we can get 50 senators. What are the alternatives to assure that Trump is still in the White House on the 20th since we know he obviously won.

7 ▼ The time for SCOTUS is over. They have no power or authority over the Congressional processes involved in choosing the President. They have already balked at their opportunity to help fix the election fraud.

you don't get it. We don't win the POTUS, there will be no more elections, not now, not then, not ever, anyway.

But it's all good. Judgement day cometh, and THAT RIGHT SOON!

6 I'm not being a doomer, you guys are out of your minds if you think 50 senators will vote not to certify.

5 You are not a doomer for thinking that. Hell, a day ago there none. A few days ago there were rumored to be two in the House... now there are 100+ in the House and 5 serious about joining in the Senate with lots of twists coming that could ratchet this to 50.

1 <caps on> OBJECTING ISN'T ENOUGH. WE NEED 50+ SENATORS TO VOTE TO SUPPORT THE DEBATE TO REMOVE BIDEN ELECTORS IN FRAUD STATES ! <caps on> Call every senator, especially McConnell !

1 Call your senators multiple times. Let them know in no uncertain terms that if they don't contest the v contested states, their re-election will be the least of their concerns. They won't be able to stop the c revolution if they support the open insurrection of a fraudulent election. They need to be afraid.

-7 ▼ Um, guns inside Washington, D.C. are a very illegal thing to do. Not sure it is a good idea to even have one hidden in your car in that stupid city. I guess if no one gets caught until suddenly there are a hundred thousand barrels pointed at the park police then they aren't going to be able to do much about it, but I wouldn't want to be that one guy who bends over to tie his shoe, his gun "prints" on the back of his coat, and he finds himself on the bottom of a pile of police.

32 ▼ Not really on Jan 6th. I am part of over 7000 women packing and that does not include triple that many guys coming with us, so let the Kami DC cops have at it.

We are American Patriots and our Commander In Chief has called us.

We will not shoot unless it is too defend ourselves.

7 ▼ There will be warriors openly BRANDISHING in full sight of DC police, and the cops won't do diddly squat. Guaranteed.

This is not a game anymore. Many have nothing left to lose. Maybe some are worried about the felony record, but many are beyond caring.
